Mireya Garza

Houston, TX | mire.garza98@gmail.com

Summary

I am a senior at the University of Houston-Clear Lake with a passion for computer science and graphic design. Through my college career I have received the opportunity to learn how to collaborate with others and develop crucial technical skills. My work experience has allowed me to excel in problem solving, team collaboration, and leadership skills. I believe my skills and enthusiasm in this field will prove very useful in a collaborative and innovative environment.
